- The Babylon Project: Crusade 6-2

Season 1 (1993–94, Year 2258)

Signs and Portents

"It was the dawn of the third age of mankind, ten years after the Earth-Minbari war. The Babylon Project was a dream given form. Its goal: to prevent another war by creating a place where humans and aliens could work out their differences peacefully. It's a port of call – home away from home for diplomats, hustlers, entrepreneurs, and wanderers. Humans and aliens wrapped in two million, five hundred thousand tons of spinning metal, all alone in the night. It can be a dangerous place, but it's our last, best hope for peace. This is the story of the last of the Babylon stations.
"The year is 2258. The name of the place is Babylon 5."

Commander Sinclair

0-0 1993-02-22

The Gathering
Spacecenter Babylon 5

The Vorlon ambassador is nearly killed by an assassin shortly after arriving at the station, and Commander Sinclair is the prime suspect.

Pilot.

1-103 1994-01-26

Midnight on the Firing Line
Ragesh 3

When the Narn attack a Centauri colony, Londo and G'Kar nearly come to blows. Meanwhile, raiders are attacking transport ships near the station.

2-102 1994-02-02

Soul Hunter
Der Seelenjäger

Delenn is in danger when a soul hunter, an alien who captures the souls of the dying, arrives at the station.

3-104 1994-02-09

Born to the Purple
Purpurdaten

Londo's career is in jeopardy when a beautiful slave seduces him and steals a sensitive computer file. Garibaldi investigates an unauthorized use of a restricted communications channel.

4-101 1994-02-18

Infection
Ein unheimlicher Fund

An archaeologist smuggles ancient artifacts onto the station, unleashing a living weapon.

5-108 1994-02-23

The Parliament of Dreams
Angriff auf G'Kar

Sinclair's old flame, Catherine Sakai, arrives during a week-long festival when humans and aliens demonstrate their religious beliefs. An old enemy sends an assassin to kill G'Kar.

6-110 1994-03-02

Mind War
Die Macht des Geistes

Talia's old Psi Corps instructor, the victim of a secret experiment, is the target of a manhunt involving the Psi-Cops. Catherine wants to survey a promising planet for possible mining, but G'Kar warns her to stay away.

7-107 1994-03-09

The War Prayer
Angriff auf die Außerirdischen

A violent attack on a Minbari poet rocks B5 and leaves Sinclair scrambling to flush out a vicious pro-Earth group. Two star-crossed young Centauri lovers seek Londo's protection. Ivanova is shaken when a man from her past arrives at the outpost.

8-106 1994-03-16

And the Sky Full of Stars
Gefangen im Cybernetz

Sinclair is kidnapped and interrogated by members of a pro-Earth group, determined to find out what transpired when the commander was briefly missing in action during the final battle of the Earth/Minbari war – something Sinclair has never been able to remember.

9-113 1994-04-20

Deathwalker
Die Todesbringerin

The station becomes a hotbed of galactic controversy when Sinclair is forced to protect a notorious war criminal – a scientist who's invented an immortality serum. Ambassador Kosh hires telepath Talia Winters to oversee a very unusual negotiation.

10-105 1994-04-27

Believers
Die Gläubigen

Dr. Franklin asks Sinclair to intermediate with an alien family who, because of their religious beliefs, refuses to allow surgery that would save their dying child.

11-111 1994-05-04

Survivors
Ein Wiedersehen mit Folgen

Garibaldi's past catches up to him, with some disastrous consequences. He's blamed by some for an accident aboard B5, which leads to hitting the bottle again after a prolonged abstinence.

12-114 1994-05-11

By Any Means Necessary
Mit allen Mitteln

An accident in the docking area kills a worker, threatening to spark an illegal strike. Londo interferes in an important Narn religious observation which leads to a confrontation between him and G'Kar.

13-116 1994-05-18

Signs and Portents
Visionen des Schreckens

A sharp increase in raider activity has the station on the defensive. Londo obtains a priceless Centauri artifact. A mysterious stranger visits the station's alien ambassadors.

14-119 1994-05-25

TKO
Im Ring des Blutes

An old friend of Garibaldi's arrives and tries to take part in a dangerous alien combat sport. A rabbi helps Ivanova come to terms with her father's death.

15-109 1994-07-06

Grail
Der Gral

A traveller comes to B5, seeking the Holy Grail. A series of unexplained attacks on several Lurkers may be linked to Ambassador Kosh.

16-122 1994-07-13

Eyes
Die Untersuchung

An internal affairs investigation to find out what's been going on at B5 leads to Sinclair having a problem with the military when he has to answer for his actions in settling the labor strike (cf. episode 12-114 *By Any Means Necessary*) as well as other decisions made during the course of the season. Ivanova confronts a member of Psi-Corps, as well as her own fears, when she is told to submit to a scan.

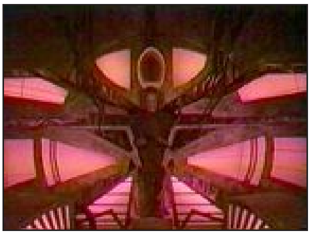
17-115 1994-07-20

Legacies
Krieger wider Willen

A girl entering puberty exhibits telepathic abilities, and the crew must decide whether to turn her over to the Psi Corps. The corpse of the Minbari military leader who oversaw the Battle of the Line is the focus of a diplomatic incident.

18-120 1994-07-27

A Voice in the Wilderness, Part 1
Angriff der Aliens



Seismic activity on the planet near the station uncovers what may be signs of an extinct alien civilization. An old mentor pays a visit to Ambassador Delenn. The unrest on the Mars Colony intensifies.

19-121 1994-08-03

A Voice in the Wilderness, Part 2
Angriff der Aliens

Sinclair fights two turf battles at once as alien invaders claim the planet the station orbits, and an Earthforce captain disagrees with him about how to deal with the situation.

20-118 1994-08-10

Babylon Squared
Verloren in der Zeit

Babylon 4 returns as abruptly as it vanished, but its reappearance may bode ill for the future. Delenn receives a momentous offer.

21-117 1994-08-17

The Quality of Mercy
Die Heilerin

Talia is involved in carrying out the sentence of a convicted murderer. Dr. Franklin investigates a possible medical scam in Downbelow. Londo takes Lennier for a look at the less savory sections of the station.

22-112 1994-10-26

Chrysalis
Chrysalis

A dying man leads Garibaldi to a discovery that could cost him his life. Londo receives help in a dispute with the Narns. Something begins to happen to Delenn.

First Season finale.

Season 2 (1994–95, Year 2259)

The Coming of Shadows

“The Babylon Project was our last, best hope for peace. A self-contained world five miles long, located in neutral territory. A place of commerce and diplomacy for a quarter of a million humans and aliens. A shining beacon in space, all alone in the night. It was the dawn of the Third Age of Mankind...the year the Great War came upon us all. This is the story of the last of the Babylon stations.
“The year is 2259. The name of the place is Babylon 5.”

Captain Sheridan

23-201 1994-11-02

In der Stunde des Wolfs

Sheridan's disappearance begins to unravel the alliance. Londo discovers that Emperor Cartagia has struck a disturbing deal. G'Kar decides to search for Garibaldi. Ivanova, Delenn, and Lyta head toward Z'ha'dum to search for Sheridan.

68-402 1996-11-11

Whatever Happened to Mr. Garibaldi?
Der letzte des Kha'Ri

G'Kar tries to avoid capture by the Centauri while continuing his search. Delenn urges the Rangers to strike against the Shadows.

69-403 1996-11-18

The Summoning
Rückkehr vom Schattenplaneten

Zack makes a discovery in the search for Garibaldi. Delenn's plan to attack the Shadows runs into trouble. Ivanova and Marcus attempt to solicit aid from more First Ones.

70-404 1996-11-25

Falling Toward Apotheosis
Das Monster auf dem Thron

The Vorlons step up their battle against the Shadows. Londo uncovers a new wrinkle in his plan to unseat Emperor Cartagia. Sheridan asks Garibaldi to remove Kosh from the station. Delenn gets a surprise from Sheridan.

71-405 1997-01-27

The Long Night
Tyrannenmord

As the Army of Light prepares to strike, Londo and Vir continue to plot Cartagia's downfall. Ivanova and Lorien look for more First Ones. The Shadows unleash a terrible new weapon.

72-406 1997-02-03

Into the Fire
Das dritte Zeitalter

The Army of Light mounts its final assault. Londo learns some surprising information about Morden.

73-407 1997-02-10

Epiphanies
Unter Quarantäne

Bester arrives with news of an Earth Alliance plan to further isolate Babylon 5. Garibaldi delivers some surprising news to Sheridan.

74-408 1997-02-17

The Illusion of Truth
Lügenpropagana

ISN sends a team to do a second story about Babylon 5.

75-409 1997-02-24

Atonement
Das Traumorakel

Delenn is recalled to Minbar to resolve a problem concerning her relationship with Sheridan, and must finally face up to her role in the Earth-Minbari War. Sheridan sends Marcus and Franklin to Mars on a secret mission.

76-410 1997-04-21

Racing Mars
Captain Jack

Franklin and Marcus arrive on Mars to begin their undercover mission. Sheridan confronts Garibaldi about his behavior.

77-411 1997-04-28

Lines of Communication
Die Stimme des Widerstandes

Franklin and Marcus try to convince the leaders of the resistance to go along with Sheridan's plan to unseat Clark. Delenn investigates a series of attacks on Minbari allies. Minbar begins to slide toward civil war.

78-412 1997-05-05

Conflicts of Interest
Ein Job für Garibaldi

Garibaldi takes on a new job. The resistance's counter-propaganda broadcasts begin. Sheridan proposes a plan to protect the Non-Aligned Worlds from raiders.

79-413 1997-05-12

Rumors, Bargains and Lies
Krieg der Kasten

Sheridan tricks the League of Non-Aligned Worlds into accepting his proposed defense pact. Delenn tries to work with an old rival to defuse a brewing Minbari civil war.

80-414 1997-05-19

Moments of Transition
Im Kreis des Sternenfeuers

The warrior caste demands Delenn's surrender. Bester makes an offer to an increasingly desperate Lyta. Sheridan is compelled to act after receiving horrible news from Ivanova.

81-415 1997-05-26

No Surrender, No Retreat
Die Befreiung von Proxima 3

Sheridan's forces attempt to liberate Proxima 3. Londo tries to enlist G'Kar's aid in backing Sheridan against Earth.

82-416 1997-06-02

The Exercise of Vital Powers
Hinter den Kulissen

Garibaldi arrives on Mars and meets William Edgars. Lyta helps Franklin in an attempt to make contact with the frozen telepaths.

83-417 1997-06-09

The Face of the Enemy
Homo Superior

Sheridan's search for his father leads him into danger on Mars. Lyta warns Franklin of an impending clash between telepaths and mundanes. Garibaldi chooses between loyalty to Sheridan and to Edgars.

This episode reveals a lot of information.

84-418 1997-06-16

Intersections in Real Time
Das Verhör

Sheridan faces an inquisitor from Earthdome.

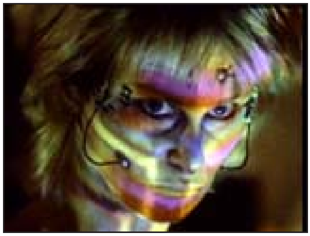
85-419 1997-10-06

Between the Darkness and the Light
Das Werkzeug der Vergeltung

Garibaldi is captured by the Mars Resistance. Ivanova's fleet clashes with Clark's forces. A plan to free Sheridan is launched.

86-420 1997-10-13

Endgame
Söhne und Töchter der Erde



Sheridan's forces make their final strike. Marcus weighs a vital decision.

This episode resolves several major plot threads.

87-421 1997-10-20

Rising Star
Die neue Allianz

Earthgov decides Sheridan's fate. Delenn makes a remarkable proposition to the League of Non-Aligned Worlds. Garibaldi continues his search for Lise.

88-422 (501) 1997-10-27

The Deconstruction of Falling Stars
In hundert Jahren, in tausend Jahren

A look back at the impact of Babylon 5 from 100, 500, 1000, and 1000000 years in the future.

Fourth season finale. This episode contains spoilers for future episodes, as it's mostly in the form of retrospectives from future viewpoints.
The episode's dedication: *"Dedicated to all the people who predicted that the Babylon Project would fail in its mission. Faith manages."* This is probably a dig at pundits on Usenet and elsewhere who confidently said every year that B5 wouldn't be renewed for another season.

Season 5 (1998, Year 2262)

The Wheel of Fire

89-502 1998-01-21

No Compromises
Der Attentäter

As the station adjusts to the arrival of a new command officer (*Tracy Scoggins* as Captain Elizabeth Lochley) who fought on the other side of the civil war, a group of telepaths arrives looking for sanctuary. An assassin is out to get Sheridan.

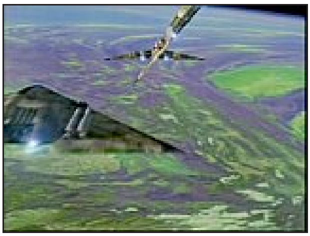
90-503 1998-01-28

The Very Long Night of Londo Mollari
An der Schwelle des Todes

Strong Londo/G'Kar episode. Londo's past catches up with him and he must deal with his heart failing, almost from the weight of his conscience. Lennier requests to return to Minbar to join the Rangers.

91-504 1998-02-04

The Paragon of Animals
Die Stimme des Universums



Sheridan clashes with the League ambassadors over G'Kar's declaration of principles. Garibaldi attempts to enlist the aid of the refugee telepaths. Lyta begins to get involved with the telepaths seeking to start a colony. We learn more about why they're there and what they are planning to do.

When Franklin is composing the letter to the Ranger's parents, the words *"Spell Check Online"* are visible at the top of the screen.

92-505 1998-02-11

A View from the Gallery
Einfache Leute

As the station defends itself against an alien attack, two ordinary crewmen, Mack and Bo, try to carry on and keep the station running.

The story is told from the point of view of some of the ordinary people who live and work on Babylon 5, rather than the command staff.

93-506 1998-02-18

Learning Curve
Lektion des Schreckens

Two Minbari Rangers-in-training come to the station and learn a difficult lesson. A new underworld boss tries to take control of DownBelow. We learn more about the Rangers, how they react to certain problems, and learn more about their teachings.

Turhan Bey (the Centauri Emperor from episode 31-209 *The Coming of Shadows*) plays one of Delenn's mentors.

94-507 1998-02-25

Strange Relations
Der Herr der Bluthunde

Bester arrives to try to retrieve the refugee telepaths. Garibaldi confronts Lochley. Delenn chooses a bodyguard for Londo.

95-508 1998-03-04

Secrets of the Soul
Ein sterbendes Volk

Franklin discovers one race's centuries-old secret. Byron and Lyta reach an understanding.

96-511 1998-03-11

The Day of the Dead
Der Tag der Toten

When the Brakiri celebrate the *Day of the Dead* in isolation, Garibaldi, Lennier, Londo and Capt. Lochley are accidentally shut away with them. Morden, Dodger (see episode 32-210 *GROPOS*), Adira Tyree (see episode 3-104 *Born to the Purple*), and others come back to life for 24 hours (sorry, no Marcus). Rebo and Zooty (guest stars *Penn and Teller*) visit the station to meet Sheridan.

97-509 1998-03-18

In the Kingdom of the Blind
Die Telepathenkolonie

Byron’s telepaths present the Interstellar Alliance with an ultimatum. Londo and his bodyguard visit Centauri Prime.

Damian London (the Regent) reappears.

98-510 1998-03-25

A Tragedy of Telepaths
Die letzte Gefangene

The telepath situation continues to deteriorate. The attacks on Alliance ships continue. Londo and G’Kar find an old friend in a nearly forgotten place.

Originally titled “Cat and Mouse”.

99-512 1998-04-01

Phoenix Rising
Vergeßt Byran nicht!

The telepath situation becomes critical and Bester attempts to take control, triggering a strong reaction by Garibaldi.

100-513 1998-04-08

The Ragged Edge
Das Buch des G’Kar

Another attack on an Alliance ship brings Garibaldi to the Drazi homeworld to search for a witness. G’Kar finds himself the object of unwanted attention.

101-514 1998-04-15

The Corps is Mother, the Corps is Father
Das Corps der Gnadenlosen

Bester pursues a murderous telepath, using the pursuit to train two rookie Psi Cops in the finer points of their new jobs. An examination of the Psi Corps, including their training methods and how they deal with washouts.

This episode will show a side of the Psi Corps we rarely see. According to *Stephen Furst* (from Sci-Fi Celebration in Boise, ID) *Walter Koenig* has a very large part in this episode, and that the only “regulars” scheduled to appear are *Jeff Conaway* and *Richard Biggs*. He said that it was (obviously) about the Psi Corps and their training, and what happens when one of them “looses it”.

102-515 1998-05-27

Meditations on the Abyss
Die Wahrheit ist ein Fluß

Without Sheridan’s knowledge, Delenn sends Lennier on a mission to try to figure out the source of the raids.

103-516 1998-06-03

Darkness Ascending
Am Rande des Abgrunds

Lennier uncovers hard evidence about the source of the cargo ship attacks. Lise arrives to see Garibaldi. Lyta attempts to strike a deal on behalf of the rogue telepaths.

104-517 1998-06-10

And All My Dreams, Torn Asunder
Die Blockade

The evidence of a Centauri connection to the cargo ship attacks is revealed to the Alliance.

105-518 1998-06-17

Movements of Fire and Shadow

Der letzte Befehl

The Centauri situation escalates. Lyta and Franklin visit the Drazi homeworld on a mission of mercy at Vir’s request.

106-519 1998-10-28

The Fall of Centauri Prime

Die Bürde des Imperators

As Sheridan races to stop the Alliance ships from attacking Centauri Prime, Londo’s fate, and that of his people, is decided.

107-522 1998-11-04

Wheel of Fire

Augen aus Feuer

Lochley and Garibaldi discover they have some shared history. A confrontation with Lyta leads to a startling revelation.

108-520 1998-11-11

Objects in Motion

Wann, wenn nicht jetzt

As some longtime residents prepare to leave the station, the crew races to stop an assassin.

109-521 1998-11-18

Objects at Rest

Der letzte Blick zurück

The Interstellar Alliance headquarters moves to Minbar. Lennier faces the consequences of a terrible mistake.

110-522a (422) 1998-11-25

Sleeping in Light

Der Weg ins Licht

In Sheridan’s final days, old friends gather to celebrate. Takes place in 2281, approximately twenty years after the end of the rest of the series.

Series finale.
