The Last Outpost
Der Wächter

(Stardate 41386.4) Held captive over an unknown planet, the away teams of the USS Enterprise and Ferengi starships must pass an important inquisition by a mysterious life form known as Portal, before they are allowed to continue their journeys through space.

6. 106 1987-10-24

Where No One Has Gone Before
Der Reisende

(Stardate 41263.1) When an experiment with the warp engines goes wrong, teenager Wesley Crusher and a mysterious alien called the Traveler are the crew’s only hope for escape from a bizarre galaxy where thoughts become real.

7. 108 1987-10-31

Lonely Among Us
Die geheimnisvolle Kraft

(Stardate 41249.3) Passing through a series of complex energy patterns, the Enterprise crew find themselves trying to solve the mystery surrounding the murder of Assistant Chief Engineer Singh and the altered personalities of Lt. Worf, Dr. Crusher and Captain Picard.

8. 109 1987-11-07

Justice
Das Gesetz von Edo

(Stardate 41255.6) When Wesley Crusher is sentenced to death for innocently violating a foreign planet's laws, Captain Picard is forced to chose between negotiating for Wesley's life or adhering to the Federation's Prime Directive (which prohibits interfering with another civilization's way of life).

Unfortunately, he chooses not to let Wesley die!

9. 110 1987-11-14

The Battle
Die Schlacht von Maxia

(Stardate 41723.9) Picard starts suffering a blinding series of headaches and acting strangely, when a Ferengi Damon called Bok uses a thought altering device, seeking revenge on Picard for his son's death over a decade earlier when Picard was in command of the *USS Stargazer*, threatens the life of the Captain and the safety of the Enterprise.

Guest stars include *Lee Arenberg* as Damon Bok.

10. 111 1987-11-21

Hide And Q
Rikers Versuchung

(Stardate 41590.5) The Enterprise is once again challenged by the dangerous and powerful "Q" who offers Will Riker god-like powers in exchange for Riker's membership in the "Q" continuum.

11. 105 1987-11-28

Haven
Die Frau seiner Träume

(Stardate 41294.5) Deanna Troi is caught between her feelings for Will Riker and her devotion to family customs when she faces a prearranged marriage. In the meantime, the crew have to deal with a ship carrying a deadly plague.

12. 113 1988-01-09

The Big Goodbye
Der große Abschied

(Stardate 41997.7) When the holodeck malfunctions, Captain Picard (playing a 20th century private detective called Dixon Hill) and two crew members become trapped in San Francisco, 1941, where they are held hostage by murderous gangsters.

13. 114 1988-01-16

Datalore
Das Duplikat

(Stardate 41242.4) While visiting Data's homeworld, where Data was discovered as the lone survivor of a decimated colony some 30 years ago, the crew discover Data's android brother Lore who formulates an evil masterplan involving a crystalline entity that could destroy the Enterprise.

14. 115 1988-01-23

Angel One
Planet Angel One

(Stardate 41636.9) While the away team struggle to save male fugitives from a Federation ship that crash landed on a planet run by women, the Enterprise is ravaged by a highly infectious virus.

15. 116 1988-01-30

11001001
11001001

(Stardate 41365.9) After arriving at a Starbase for routine maintenance, the Enterprise is hijacked by a computer-dependant alien species known as the Binars. Picard and Riker find they are alone on the ship, but the ship is in the hands of the Binars. They discover that the aliens need the ship's computer to regenerate the computers on their home planet that are expected to be damaged by a asteriod passing through the system.

16. 112 1988-02-06

Too Short A Season
Die Entscheidung des Admirals

(Stardate 41309.5) The Enterprise escorts an elderly Federation Admiral to a planet to negotiate the release of hostages, but the planet's governor wants to kill him in revenge for a previous hostage crisis.

17. 118 1988-02-13

When The Bough Breaks
Die Sorge der Aldeaner

(Stardate 41509.1) Wesley and several children from the Enterprise are kidnapped by the ancient civilization of Aldea long thought to be mythical, which has become sterile and hopes to use the children to rebuild their race.

18. 117 1988-02-20

Home Soil
Ein Planet wehrt sich

(Stardate 41463.9) When a terraforming project hits problems the Enterprise crew discover a powerful microscopic life form which has declared war on humans. The lifeform takes over the Enterprise's lab and computers, and threatens to destroy the ship.

19. 119 1988-03-12

Coming Of Age
Prüfungen

(Stardate 41416.2) While Wesley endures the grueling Starfleet Academy entrance exam, Captain Picard faces an investigation into his competency as a commander by Admiral Quinn and his obnoxious sidekick Remmick of Starfleet's deeply unpopular Internal Affairs division.

20. 120 1988-03-19

Heart Of Glory
Worfs Brüder

(Stardate 41503.7) Lt. Worf is torn between his loyalty to the Enterprise and his fierce Klingon heritage when two Klingon fugitives take over the ship.

21. 121 1988-04-09

The Arsenal Of Freedom
Die Waffenhändler

(Stardate 41798.2) Picard and Dr. Crusher are trapped on a deserted planet. Beaming down to rescue them, Riker, Lt. Yar, and the rest of the away team fight for their lives against the computerized weapons system that killed all the inhabitants of the planet!

22. 123 1988-04-16

Symbiosis
Die Seuche

The Enterprise is caught in the middle when two alien races wage a bitter battle over cargo which one of them believes they need for survival.

23. 122 1988-04-23

Skin Of Evil
Die schwarze Seele

(Stardate 41601.3) A rescue mission turns to tragedy when Tasha Yar is killed by the evil slime-mold Ardros, and Deanna Troi is trapped inside a shuttle craft.

Although last seen in this episode, *Denise Crosby* remained in the opening credits for the remainder of the season.

24. 124 1988-04-30

We'll Always Have Paris

Begegnung mit der Vergangenheit

(Stardate 41697.9) Captain Picard is unexpectedly reunited with his first love in the midst of an investigation into lethal time warp experiments.

25. 125 1988-05-07

Conspiracy

Die Verschwörung

(Stardate 41775.5) Picard and Riker travel to Earth to investigate a conspiracy in the highest ranks of Starfleet command. They meet Admiral Quinn and Lt. Cmdr. Remmick (see *Coming of Age*) and soon suspect that an alien influence is at work.

The BBC edited out a scene in which Lt. Cmdr. Remmick's head explodes; when BSkyB repeated the episode they showed the cut version at 5:30pm and the full version at 10:30pm. ZDF and SAT.1 also edited out this scene, but it is included in Riker's flashback in episode 148: *Shades of Gray.*

26. 126 1988-05-14

The Neutral Zone

Die neutrale Zone

(Stardate 41986.0) While traveling to the Neutral Zone to investigate strange occurrences, the crew discovers a ship containing three frozen Americans from the 20th century. Then a Romulan cruiser de-cloaks in front of the Enterprise—the first time the Romulans have been seen for about 60 years!

In this episode we first see a planet bearing the marks of a Borg attack although they do not appear.

Season 2 (1988-89)

27. 127 1988-11-19

The Child

Das Kind

(Stardate 42073.1) While preparing to transport a deadly plague to a research lab, the crew is stunned by the announcement of Counselor Troi's pregnancy. Her child develops at an incredible rate, growing in a day the amount a human child would grow in a year.

28. 128 1988-11-26

Where Silence Has Lease

Illusion oder Wirklichkeit

(Stardate 42193.6) The crew is held hostage in a mysterious void by a being who wishes to observe the many ways in which humans die.

29. 129 1988-12-03

Elementary, Dear Data

Sherlock Data Holmes

(Stardate 42286.3) In frustration at the ease with which Data solves apparently complex Sherlock Holmes mysteries, Geordi programs the Enterprise computer to create a worthy advisary for Data. The result is a self-aware hologram (Professor Moriarty) who takes control of the ship and threatens Dr. Pulaski's life (and, also, far more seriously, offers to fill her with hot crumpets!).

30. 130 1988-12-10

The Outrageous Okona

Der unmögliche Captain Okona

(Stardate 42402.7) While the Enterprise crew play host to a witty renegade captain, Data struggles to acquire a sense of humor. They are then confronted by two alien ships who both demand custody of Captain Okona for grevious crimes—but is he really a criminal?

31. 132 1989-01-07

Loud As A Whisper

Der stumme Vermittler

(Stardate 42477.2) The future of a warring planet depends on a deaf mediator, who suddenly loses his ability to communicate when his "Chorus" of interpreters are murdered by a member of one of the factions. Counselor Troi tries to pursuade him to continue the negotiations despite their deaths.

32. 131 1989-01-21

The Schizoid Man
Das fremde Gedächtnis

(Stardate 42437.5) A brilliant but terminally ill scientist seeks eternal life by transferring his mind into Data's body. The crew are alarmed at the sharp change in Data's character as the scientist's personality takes over.

33. 133 1989-01-28

Unnatural Selection
Die jungen Greise

(Stardate 42494.8) The crew grapples with a mysterious disease which accelerates the aging process, causing humans to die of old age within a matter of days. When Dr. Pulaski becomes exposed, the race is on to find a cure, and the genetically engineered "children" at a reseach centre seem to hold the answer.

34. 134 1989-02-04

A Matter Of Honor
Der Austauschoffizier

(Stardate 42506.5) Commander Riker's loyalties are put to the test when he is assigned to a Klingon vessel which plans to attack the Enterprise. In the meantime, a visiting alien fails to report a serious problem because his culture expects him also to provide a solution, and he does not yet have one.

35. 135 1989-02-11

The Measure Of A Man
Wem gehört Data?

(Stardate 42523.7) When Data refuses to be disassembled for research purposes, Picard is enlisted to defend his rights as a sentient being in court while Riker reluctantly takes on the role of advocate.

36. 136 1989-02-18

The Dauphin
Die Thronfolgerin

(Stardate 42568.8) Wesley finds romance with the beautiful young ruler of Daled Four whose secret power could destroy the Enterprise and her crew.

37. 137 1989-03-18

Contagion
Die Iconia-Sonden

(Stardate 42609.1) When the Enterprise's sister ship, the *USS Yamamto* explodes, the Enterprise retraces its last mission, an investigation of a long dead civilisation. Soon the Enterprise's computer system falls prey to a mysterious electronic "virus" which programs the ship to self destruct.

38. 138 1989-03-25

The Royale
Hotel Royal

(Stardate 42625.4) Investigating the discovery of a piece of metal bearing a NASA insignia, the Away Team finds itself trapped in the world of “The Hotel Royale”, a novel come to life.

39. 139 1989-04-01

Time Squared
Die Zukunft schweigt

(Stardate 42679.2) The U.S.S. Enterprise discovers a Federation shuttle containing an exact double of Captain Picard from six hours in the future. But why had the other Captain Picard left the Enterprise—what fate awaits them?

40. 140 1989-04-22

The Icarus Factor
Rikers Vater

(Stardate 42686.4) Will Riker’s long-lost father reappears on the eve of his departure to become captain on a new starship while Wesley tries to cheer up Worf who is missing an important Klingon anniversary ritual.

41. 141 1989-04-29

Pen Pals
Brieffreunde

(Stardate 42695.3) Data breaks the Prime Directive in a race against time to save the life of a little alien girl on a planet doomed to destruction.

42. 142 1989-05-06

Q Who
Zeitsprung mit Q

(Stardate 42761.3) The Enterprise is hurled a great distance by the malevolent “Q”, who sets them up for destruction by a race of half-human, half-robot aliens known as the Borg. Can the Enterprise escape, and get back to Federation space?

43. 143 1989-05-13

Samaritan Snare
Das Herz des Captains

(Stardate 42779.1) While Picard fights for his life in surgery, Geordi is held hostage by the leaders of an alien race who acquire technology by theft, deceit and blackmail.

44. 144 1989-05-20

Up The Long Ladder
Der Planet der Klone

(Stardate 42823.2) The crew's rescue of a missing earth colony leads to the discovery of a civilization composed entirely of clones. The clones attempt to steal new DNA patterns from the Enterprise crew because their own patterns are degenerating each time the cloning process takes place.

45. 145 1989-06-17

Manhunt
Andere Sterne, andere Sitten

(Stardate 42859.2) In her search for the perfect mate, Couselor Troi's mother Lwaxana beams aboard the Enterprise and sets her sights on Captain Picard. He attempts to hide in the holodeck world of Dixon Hill, but Lwaxana tracks him down.

46. 146 1989-06-24

The Emissary
Klingonenbegegnung

(Stardate 42901.3) An official mission becomes a personal matter when Worf's former lover, K'Ehleyr, sent to the Enterprise to help deal with a Klingon vessel that is just returning from an 80-year long secret mission and know nothing of the peace treaty now in place with the Federation.

47. 147 1989-07-08

Peak Performance
Galavorstellung

(Stardate 42923.4) A simulated war game between Picard (on the Enterprise) and Riker (commanding an ancient derelict starship) turns deadly when the crew is ambushed by a Ferengi battleship. With the Enterprise crippled in the attack, Picard must try to get Riker, Geordi and the others back on board.

48. 148 1989-07-15

Shades Of Gray
Kraft der Träume

(Stardate 42976.1) Riker is struck down by a deadly microbe which invades his central nervous system and attacks his brain.

Much of this episode is composed of clips from previous stories.

Season 3 (1989-90)

49. 150 1989-09-23

Evolution
Die Macht der Naniten

(Stardate 43125.8) The crew fights for survival when a mysterious force attacks the ship's life support systems. The answer appears to be related to microscopic machines known as Nanites which have escaped from Wesley's latest science experiment.

50. 149 1989-09-30

The Ensigns Of Command
Die Macht der Paragraphen

(Stardate 43133.3) The Enterprise discovers a human colony living on a planet bathed in lethal radiation. Unfortunately an alien race believe the planet to be theirs under a treaty with the Federation, who knew nothing of the colony when the treaty was signed. As the only member of the crew immune to the radiation, Data goes down to the surface to convince the colonists to leave, but can he overcome their prejudice and save them?

51. 151 1989-10-07

The Survivors
Die Überlebenden von Rana Vier

(Stardate 43152.4) The crew travels to Rana IV, a remote colony where just two of its 11,000 inhabitants have miraculously survived a devastating attack by an unknown race. When the alien attackers return, the Enterprise crew become suspicious that all is not as it seems.

52. 152 1989-10-14

Who Watches The Watchers
Der Gott der Mintakaner

(Stardate 43173.5) After an accident at a research station watching the development of a proto-Vulcan race, the Enterprise is forced to intervene. Mistakenly believing Captain Picard to be a god, the members of the primitive culture seize Counselor Troi and prepare to sacrifice her to the Picard god.

53. 153 1989-10-21

The Bonding
Mutterliebe

(Stardate 43198.7) When the ship's archaeologist is killed on a mission led by Lt. Worf, the Klingon feels responsible for the son she left behind. However Worf is not the only one trying to make amends...

54. 154 1989-10-28

Booby Trap
Die Energiefalle

(Stardate 43205.6) The Enterprise is caught in a booby trap that captures the ship and converts its energy into lethal levels of radiation. In the search for a solution, Geordi calls up a simulation of one of the designers of the Galaxy class starship, Leah Brahms, in the holodeck.

55. 155 1989-11-04

The Enemy
Auf schmalem Grat

(Stardate 43349.2) After Geordi is stranded on a storm-ravaged planet, the crew's attempts to rescue him are hindered by an aggressive Romulan warbird. Geordi discovers a Romulan who is also stranded, and the two learn they must put aside their differences if they are to survive.

56. 156 1989-11-11

The Price
Der Barzanhandel

(Stardate 43385.6) Counselor Troi is swept off her feet by a dashing delegate who uses unethical methods to conduct his business on board the Enterprise. Meantime, the crew investigate the reality of the apparently stable wormhole that is the subject of an auction. A group of Ferengi scientists go into the wormhole, cavalierly ignoring the Enterprise's suggestions of caution.

Clues
Beweise

(Stardate 44502.7) The Enterprise travels through a worm hole in which most of the crew is knocked out for what is apparently 30 seconds. However, there are signs that say that they were out for much longer. Then the crew are shocked to discover that Data is lying to them.

89. 189 1991-02-16

First Contact
Erster Kontakt

When a survey as part of a first contact mission goes wrong, Riker is seriously injured and taken to an alien hospital. His life is put in jeopardy when they suspect he is an alien. Forced to accelerate the time scale of the mission, Picard and Troi make contact with a leading scientist and try to convince her they mean no harm. They tell her of Riker's disappearance, but she cautions them not to mention it when they meet the planet's leader and his military advisor.

90. 190 1991-03-09

Galaxy's Child
Die Begegnung im Weltraum

(Stardate 44614.6) The Enterprise as a parent? Seems so, when it accidentally kills a space-borne creature whose child comes to believe NCC-1701-D is its mother.

In this episode, Geordi finally meets Dr. Leah Brahms for real (see the episode *Booby Trap* for an explanation) and has to face up to the fact that she's never met him, doesn't love him, and that it's altogether more difficult with a real woman than a hologram!

91. 191 1991-03-16

Night Terrors
Augen in der Dunkelheit

(Stardate 44631.2) After finding a devastated ship, the Enterprise too becomes trapped in the same rift in space, and the crew are plagued by unexplained paranoia and hallucinations.
